

**NUC UNIVERSITY  
and its academic units:  
NUC UNIVERSITY – IBC TECHNICAL DIVISION, NUC UNIVERSITY – FLORIDA TECHNICAL  
COLLEGE, and THE DIGITAL ANIMATION & VISUAL EFFECTS SCHOOL**

**STUDENT RIGHT TO KNOW INFORMATION DISCLOSURES (34 CFR 668.45)  
JULY 1, 2021**

*La traducción al español de este documento está disponible según sea solicitado. Debe solicitar el mismo al Rector o Director Ejecutivo de su unidad.*

The federal Student Right To Know Act requires that annually (no later than July 1) institutions of postsecondary education prepare and disseminate information about their graduation rates of full-time, first-time in undergraduate programs leading to a certificate, associate’s or bachelor’s degree. In addition, the institution must also provide information on:

- Graduation rates disaggregated by gender, by each major racial and ethnic subgroup as defined by the Integrated Postsecondary Education Data System (IPEDS), by recipients of a Federal Pell Grant, by recipients of a Federal Direct Loan (other than a Federal Direct Unsubsidized Stafford Loan) who did not receive a Federal Pell Grant, and recipients of neither a Federal Pell Grant nor a Federal Direct Loan (other than a Federal Direct Unsubsidized Stafford Loan),
- Retention rates reported to IPEDS,
- Placement rates and types of employment obtained by graduates, and
- Types of graduate and professional education in which graduates of the institution’s four-year degree programs have enrolled.

**GRADUATION RATES (IPEDS Graduation Rates Survey – Winter 2020-2021 Cycle):**

<b>Category</b>	<b>Full-time, first-time students</b>	<b>Full-time, first-time students who completed their program within 150% of normal time to completion</b>	<b>Graduation rate for full-time, first-time students</b>
Overall	3594	2421	67%
Men	1498	1020	68%
Women	2096	1401	67%
Nonresident alien	0	0	0%
Hispanic/Latino	3380	2336	69%
American Indian or Alaska Native	2	1	50%
Asian	1	0	0%
Black or African American	92	40	43%
Native Hawaiian or Other Pacific Islander	0	0	0%
White	104	39	38%
Two or more races	11	4	36%
Race and ethnicity unknown	4	1	20%
Recipients of a Pell Grant	3456	2347	68%
Recipients of a Direct Subsidized Loan that did not receive a Pell Grant	27	13	48%
Did not receive either a Pell Grant or Direct Subsidized Loan	111	61	55%

**RETENTION RATES (IPEDS Fall Enrollment Survey – Spring 2020-2021 Cycle):**

Full-time, first-time Fall 2019 cohort .....	1795
Students from Fall 2019 cohort still enrolled as of Fall 2020 .....	630
Full-time, first-time Fall 2019 cohort retention rate .....	35%

- Program not offered at this location or did not have graduates for the reporting period.

**Placement Rate Information for Programs other than the Associate’s Degree in Physical Therapist Assistant:**

The source of the Placement Rates and Types of Employment provided in the chart above is alumni surveys and Campus Nexus.

The calculation of Placement Rates includes students who completed a program or graduated from a program from July 1, 2018 through June 30, 2019 (“Reporting Period”), were available for placement, and were employed on or before November 1, 2019, which is approximately four months after the end of the Reporting Period. The calculation of this rate include students who completed a program or graduated from a program during the Reporting Period and were not available for placement due to pregnancy, death, or other health-related issues; continuing education; active military service; visa restrictions (international students); enrollment in an English as a Second Language (ESL) program or incarceration. Placement is based upon the following classifications: Job Title, Skills Learned and Benefit of the Training.

Placement rates are calculated as follows:

$$\frac{(\text{Placed by job title} + \text{Placed by skills} + \text{Placed by benefit of training})}{((\text{Completers} + \text{Graduates}) - (\text{Not Available for Placement}))}$$

**Placement Rate Information for the Associate’s Degree in Physical Therapist Assistant Program:**

The source of the Placement Rates and Types of Employment provided in the chart above is alumni surveys and Campus Nexus.

In the specific case of the Associate’s Degree in Physical Therapist Assistant program, the calculation of job placement rates includes students who completed or graduated from the program from March 1, 2018 to March 31, 2019, who were available for job placement, and who were employed on or before March 31, 2019, which is the end of the reporting period. The placement rate calculation includes students who completed or graduated from the program during the previously mentioned reporting period. Placement is based on employment in the field of study as an assistant to a Physical Therapist under the supervision of a licensed Physical Therapist.

Placement rates are calculated as follows:

$$\frac{\text{Total of graduates who applied for employment}}{\text{Total of Placed Graduates}}$$

For more information about how the placement rates are calculated, please contact the NUC University Corporate Placement Director.

**TYPES OF GRADUATE AND PROFESSIONAL EDUCATION IN WHICH GRADUATES OF THE INSTITUTION'S  
FOUR-YEAR DEGREE PROGRAMS HAVE ENROLLED:**

- Bachelor of Business Administration
- Bachelor of Science in Biology
- Bachelor of Marine Science
- Bachelor of Health Education
- Bachelor of Science in Nursing
- Bachelor's Degree in Computer Science
- Bachelor of Dental Technician
- Master of Business Administration
- Master of Forensic Science
- Master of Education
- Master of Nursing
- Master's Degree in Computer Science
- Doctorate in Education
- Pharmaceutical Doctorate

**Placement Rate Information for Programs other than for the Associate Degree in Gastronomy and Culinary Management, Diploma in Culinary Arts, and Diploma in International Pastry and Baking:**

The source of the Placement Rates and Types of Employment provided in the chart above is alumni surveys and Campus Nexus.

The calculation of Placement Rates includes students who completed a program or graduated from a program from July 1, 2018 through June 30, 2019 (“Reporting Period”), were available for placement, and were employed on or before November 1, 2019, which is approximately four months after the end of the Reporting Period. The calculation of this rate include students who completed a program or graduated from a program during the Reporting Period and were not available for placement due to pregnancy, death, or other health-related issues; continuing education; active military service; visa restrictions (international students); enrollment in an English as a Second Language (ESL) program or incarceration. Placement is based upon the following classifications: Job Title, Skills Learned and Benefit of the Training.

Placement rates are calculated as follows:

(Placed by job title + Placed by skills + Placed by benefit of training)

((Completers + Graduates) - (Not Available for Placement))

**Placement Rate Information for the Associate Degree in Gastronomy and Culinary Management, Diploma in Culinary Arts and, Diploma in International Pastry and Baking**

The source of the Placement Rates and Types of Employment provided in the chart above is alumni surveys and Campus Nexus.

In the case of the Associate Degree in Gastronomy and Culinary Management, Diploma in Culinary Arts, and Diploma in International Pastry and Baking programs, the placement rate is defined by the American Culinary Federation Education Foundation Accrediting Commission (ACFEFAC) (*Only for Aguadilla, Bayamón, Caguas, Fajardo, Manatí, Mayagüez, Ponce*):

Job Placement Rate is the percentage of students that are employed in their field of study within nine (9) months of graduation.

For more information about how the placement rates are calculated, please contact the NUC University Corporate Placement Director.

**TYPES OF GRADUATE AND PROFESSIONAL EDUCATION IN WHICH GRADUATES OF INSTITUTION'S FOUR-YEAR DEGREE PROGRAMS HAVE ENROLLED:** Not Applicable. NUC University – IBC Technical Division does not offer four-year degree programs.

- Program not offered at this location or did not have graduates for the reporting period.

**Placement Rate Information:**

The source of the Employment Rates and Types of Employment provided in the chart above is from employment verifications completed by graduates or employers or employment records from the Work# database.

The calculation of rates includes students who graduated from a program from November 1, 2018 to October 31, 2019, were available for employment, and were employed before November 1, 2020, which is approximately twelve months after the last graduating class of October 31, 2019. The calculation of this rate does not include students who graduated from a program and were not available for employment due to pregnancy, death, or other health-related issues; continuing education; active military service; visa restrictions (international students); criminal record, self-employment out of field, or incarceration. Employment is based upon job titles included in the list of job titles published by the institution for which the program prepares students (in the field) and the required use of skills learned in the student's program as a predominant component of the job (related field).

Employment rates for programs other than the Baking and Pastelería and Culinary Arts diploma programs are calculated as follows:

$$\frac{(\text{Employed in the field} + \text{Employed in the related field})}{(\text{Total Graduates} - \text{Total unavailable for employment})}$$

Employment rates\* for the Baking and Pastelería and Culinary Arts diploma programs are calculated as follows:

$$\frac{\text{Employed in the field}}{\text{Total Graduates}}$$

\*Source of the Employment Rates for the Baking and Pastelería and Culinary Arts diploma program provided are defined by the American Culinary Federation Education Foundation Accrediting Commission (ACFEFAC): the percentage of graduates who are employed in their field of study within nine (9) months of graduation.

For more information about how the placement rates are calculated, please contact the NUC University – Florida Technical College Vice President of Strategic Business Development and Career Services.

- Program not offered at this location or did not have graduates for the reporting period.

**Placement Rate Information:**

The source of the Employment Rates and Types of Employment provided in the chart above is from employment verifications completed by graduates or employers or employment records from the Work# database.

The calculation of rates includes students who graduated from a program from November 1, 2018 to October 31, 2019, were available for employment, and were employed before November 1, 2020, which is approximately twelve months after the last graduating class of October 31, 2019. The calculation of this rate does not include students who graduated from a program and were not available for employment due to pregnancy, death, or other health-related issues; continuing education; active military service; visa restrictions (international students); criminal record, self-employment out of field, or incarceration. Employment is based upon job titles included in the list of job titles published by the institution for which the program prepares students (in the field) and the required use of skills learned in the student's program as a predominant component of the job (related field).

Employment rates for programs other than the Baking and Pastelería and Culinary Arts diploma programs are calculated as follows:

$$\frac{(\text{Employed in the field} + \text{Employed in the related field})}{(\text{Total Graduates} - \text{Total unavailable for employment})}$$

For more information about how the placement rates are calculated, please contact the NUC University – Florida Technical College Vice President of Strategic Business Development and Career Services.
